

Dear Valued Customer,

Thank you for registering at 0fees.net. We are delighted to inform you that your application fees0_8670345 has been successful !

Your account has been activated and you should be able to login to the Cpanel now.

Take careful note of your login details below and consider printing them for your own records.

If you like our free hosting service, please consider upgrading your account to one of our Premium Hosting Plans and get a free .COM, NET or INFO domain name:

Our premium paid hosting service has very large hosting plans using the industry leading cPanel X control panel, without any of the restrictions or limitations that are placed on free hosting accounts such as PHP sockets, CPU quotas, SMTP & POP email accounts, no file size limits and much more, all hosted on ultra fast quad CPU servers.

For more information please visit : <https://securesignup.net/portal/>

For help on using your hosting and control panel please visit : <http://tutorials.securesignup.net/>

Cpanel Username:	fees0_8670345
Cpanel Password:	827097
Your URL:	http://vingleo.0fees.net or
http://www.vingleo.0fees.net	
FTP Server :	ftp.0fees.net
FTP Login :	fees0_8670345
FTP Password :	827097
MySQL Database Name:	MUST CREATE IN CPANEL
MySQL Username :	fees0_8670345
MySQL Password :	827097
MySQL Server:	SEE THE CPANEL
Cpanel URL:	http://cpanel.0fees.net

We would recommend for security connecting to your FTP account using FTP over SSL , instructions for doing this can be found here:

<http://byet.net/showthread.php?p=66815#post66815>

Once you have logged into your VistaPanel, you can change your password if required.

Please also register at our forums <http://byet.net> , where you can talk to and exchange ideas with other webmasters.

For access to our KnowledgeBase / Troubleshooters please goto
